THE VERMONT VOTERS REPORT CARD

In this report card you will learn how your representative and senator voted on the key issues of 2005-2006. It presents nine key votes in the House and in the Senate, chosen to cover the issues of greatest public interest in this biennial session. Many other issues were voted upon, but we felt that these votes were the most clear-cut and indicative on issues of broad public interest.

In reading a report card, it should be kept in mind that any arbitrarily selected set of votes may not be a fair representation of the overall performance of any legislator.

The report cards for 2001-2002 and 2003-2004 can be found under "Reports" at www.ethanallen.org.

The House and Senate charts show the names, districts, and party affiliation, and their votes on the numbered issues.

Abbreviations: Y=Yes vote
N=No vote
A=Absent
* =Not a member at time of vote
#=Presiding – did not vote
D=Democrat
R=Republican
P=Progressive
I=Independent

Each July the Legislative Council (State House, Montpelier VT 05633) publishes a useful “Summary of the Acts and Resolves” of the just-concluded General Assembly. The Clerk of the House and Secretary of the Senate publish roll call vote records for each session of their respective chambers. It is, however, quite difficult to discover just what the legislators voted on, without consulting the House and Senate Journals. These documents are available online at the Vermont Legislature Home Page, www.leg.state.vt.us/
